3. **Registered Athletes of your team, according to Regulation 7 –c-2 of the USATF Bylaw/Regulation Handbook states:** How long must an athlete wait prior to transferring from one club to another?

Answer: there is a 90-day waiting period for transferring from one USATF member club to another USATF member club. The 90 days is measured from the date the athlete last competed in a USATF: Sanctioned competition: An athlete is not eligible to represent a club in a USATF: sanctioned competition if he/she has represented another club during the previous 90 days.

Where can representation occur? Representation can only occur in a USATF Sanctioned competition, thus, competition in an event not sanctioned by USATF does not constitute representation.

Thus, competition in an event not sanctioned by USATF does not constitute representation. The following may determine the athlete's intention to represent a club: (A.) club name appears on a submitted entry form or seed card, (B.) Club affiliation is indicated in the results, and (C.) Club uniform is worn by the person. A USATF membership application that

indicates a club on it may be used to show intent if the date of application is proximate to the date of the competition in questions.

Does an athlete have to be a member of USATF: At the time of representation: NO, representation of a athlete may occur regardless of whether the athlete is a member of USATF.

Does a club have to be a member of USATF at the time of representation?

Yes, Pursuant to Regulation 7-A-1 “An athlete may compete as a representative of a local club, educational institution, or other organization, and additionally may be listed as competing for a club and/ or sponsor. A club must be a member in good standing of USATF”.

Michigan Association Code of Conduct: An athlete, or parent must declare their intent to participate on a team. **All coaches are expected to contact the coach of the current team as notification of an athlete intention to switch teams. The coach of the current team must not hinder the development of an athlete or discourage them from switching to another team.
